[Bug 1284546 - Document that Bugzilla_login and Bugzilla_password= cannot be used for automated HTTP requests](#)

Bug ID: 1284546

Title: Document that Bugzilla_login and Bugzilla_password cannot be used for automated HTTP requests

Description: It was discovered that Bugzilla_login and Bugzilla_password cannot be used for automated HTTP requests This needs to be documented clearly to avoid confusion for users attempting automation

:Steps to Reproduce

Attempt to use Bugzilla_login and Bugzilla_password for automated HTTP .1 requests

Observe the authentication failure .2

Expected Result: Automated HTTP requests should work with Bugzilla_login and Bugzilla_password

Actual Result: Requests fail; the login credentials cannot be used for automation

Status: OPEN
