

Bug ID: 1284546

Title: Document that Bugzilla\_login and Bugzilla\_password cannot be used for automated HTTP requests

Description: It was discovered that Bugzilla\_login and Bugzilla\_password cannot be used for automated HTTP requests. This needs to be documented clearly to avoid confusion for users attempting automation

:Steps to Reproduce

.Attempt to use Bugzilla\_login and Bugzilla\_password for automated HTTP requests .1

.Observe the authentication failure .2

Expected Result: Automated HTTP requests should work with Bugzilla\_login and Bugzilla\_password

.Actual Result: Requests fail; the login credentials cannot be used for automation

Status: OPEN
